Summer Term: Week 11

Dear Parents and Carers,

What an energetic week we've had at nursery!

Our Sports Day was a huge success, filled with laughter, teamwork, and lots of cheering. The children had a fantastic time taking part in races, obstacle courses, and fun games. It was wonderful to see their confidence shine through. A big thank you to all the families who came along to support and cheer – your encouragement made the events even more special.

We also welcomed our toddler parents to our Stay and Play sessions. Thank you to everyone who joined us – we hope you enjoyed it as much as we did!

Stay and Play sessions for our babies and pre-school children happen next week and are a great opportunity for parents to spend time in the setting, see what the children have been learning, and join in with some fun activities. We look forward to seeing you there.

Thank you, as always, for your continued support. We love sharing these special moments with you and your children.

Kind Regards,

Hannah Firmstone

SPORTS DAY

We all had so much fun during sports day. We all learnt lots of new skills, like hopping, jumping, running, throwing and crawling.

Parents even joined in with the fun and games!

SUMMER WATER SAFETY

Important Information for Parents

With the warmer weather upon us, it's only natural that children—especially older ones—may be drawn to swim in rivers, lakes, or other open water to cool off and have fun. However, this can be extremely dangerous.

Telford & Wrekin Council's Health Protection Hub has asked us to share important guidance on summer water safety. Open water swimming poses serious risks, including:

Cold water shock

Strong currents

Hidden underwater hazards

Waterborne illnesses, such as Weil's disease

Tragically, 46% of drownings happen during the summer, and this figure rises to 75% for young people aged 13–17. Helping children understand the dangers of swimming in open water is one of the best ways we can keep them safe.

We encourage you to talk with your children about water safety. The Royal Life Saving Society and the Canal & River Trust offer excellent age-appropriate resources to support these conversations:

Tips

Let's work together to keep our children safe this summer.

SUN PROTECTION ADVICE

Children's skin is much more sensitive than adult skin, and damage caused by repeated exposure to sunlight could lead to skin cancer developing in later life.

The NHS recommend that children should:

Cover up with suitable clothing
(shoulders and neck covered)

Apply sunscreen to areas not protected by clothing, such as the face, ears, feet and backs of hands.

Wear **at least** SPF30 sunscreen (we recommend SPF 50)

Our policy at nursery is that children must wear suncream and wear a hat to keep them safe in the hot and sunny weather.

PLEASE PROVIDE A NAMED HAT FOR YOUR CHILD.

If your child attends a morning or afternoon session only, please apply suncream before they arrive.

If your child is at nursery all day please apply suncream before they arrive and provide a named bottle of suncream so that we can reapply after lunch.

Admin Office Opening Hours

The office operates from Monday to Thursday, with opening hours from 7:30 AM to 3:45 PM.

On Fridays, the office closes earlier, at 1:00 PM.

Should you need assistance or have any inquiries outside of these hours, you can call the out-of-hours phone on **07340 751171**.

This ensures that support or urgent matters can be attended to even when the office is closed.

FAMILY SUPPORT

Please see below for an exciting update
from the Telford Children's Autism Hub!

Telford Children's Autism Hub

We are thrilled to announce that we have received
extra funding, allowing the Hub to extend its services.

We are now able to provide valuable information, advice, and support
to families who are at the pre-diagnosis stage and are on the pathway
awaiting an Autism assessment.

Our Children's Autism Hub is open to all children and young people aged 0-18
years and their families, who have a diagnosis of Autism or are on the pre-
diagnosis pathway for Autism. To access our Children's Autism Hub you need
to be a resident of Telford and Wrekin.
